Mission Statement

St Joseph’s is a welcoming, vibrant and inclusive learning community which embraces the dignity and unique qualities of each child.

We celebrate our history as a school and parish and aspire to live the Josephite charism in our daily lives and interactions with others.

We foster a passion for learning and following in the footsteps of Christ we strive for excellence in all areas of life.

We value the importance of positive, caring and life giving partnerships with families, our parish and the wider community.

We recognise and celebrate our role as stewards of God's creation and promote actions and ideology around caring for our environment.
